WHO WE ARE

+ EMPOWERING THE FUTURE +

Since 2015, Urban Technologies has been the South East's premium provider for secure data destruction and IT Asset Disposition services. Headquartered in Jacksonville, FL

Why Choose Us

Urban Technologies works with major corporations across several industries including but not limited to Finance, Banking, Defense, Education and Technology. We are e-stewards, NAID AAA, B. Corp and ISO 14001 certified.

What We Do

Urban Technologies offers a full suite of services designed to meet the needs of our clients in a way that provides them with the confidence that their End-of-Life IT Assets and Data Security requirements are exceeded, consistently. Our pricing is transparent and our activity reporting is comprehensive.

The Giving Alliance is a partnership to help us close the digital divide between our client partners and community organizations. We accomplish this goal by encouraging our clients to donate assets like laptops that can be refurbished and donated to those in need. In just three years, The Giving Alliance has provided over 12,000 refurbished laptops to children in our community.
